and Higher Education

Situated sublimely on the Odra River, Wroclaw easily holds its own with the likes of not-distant neighbors Vienna, Berlin and Prague in terms of postcard panoramas and cultural offerings. Here you'll find more bridges than anywhere in Central Europe, a market square second only to Krakow's in size, an entire Cathedral Island of awe-inspiring architecture, and a one of a kind UNESCO-laureled marvel. Wroclaw is a university city with a student population of over 130,000, making it one of the most youth-oriented cities in Poland.
