

## STUDYING AT JLU

### APPLYING / ENROLLING

To take a programme or subject that has only a restricted number of places, you are required to apply for admission. For programmes with no admission restrictions, you can enrol directly. There are enrolment and application deadlines that need to be observed. For more information, visit this page:

➔ [www.uni-giessen.de/studium/bewerbung](http://www.uni-giessen.de/studium/bewerbung)

### ADMISSION REQUIREMENTS

For each application, you must prove you meet the specific requirements of the respective degree programme and/or subjects you have chosen. You will find comprehensive information about these requirements in the application portal; programme-specific overviews are available on the respective programme websites.

General information on admissions requirements:

➔ [www.uni-giessen.de/studium/voraussetzungen](http://www.uni-giessen.de/studium/voraussetzungen)

General information on programmes with admission restrictions:

➔ [www.uni-giessen.de/studium/nc](http://www.uni-giessen.de/studium/nc)

### PREPARING TO STUDY: PRELIMINARY COURSES

Some courses of study and subjects offer pre-courses that cover fundamental input prior to launching your courses of study. Look here for further information:

➔ [www.uni-giessen.de/studium/vorkurse](http://www.uni-giessen.de/studium/vorkurse)

### WEB-PORTAL «ASK JUSTUS»

All about your choice of major:

## ADVANCED STUDIES

- Once you have successfully attained your bachelor's degree, you can apply for a **Master programme**:  
➔ [www.uni-giessen.de/studium/master](http://www.uni-giessen.de/studium/master)
- After successfully completing a Master's degree or state examination programme, you can continue your studies with a **doctoral degree**: ➔ [www.uni-giessen.de/studium/promotion](http://www.uni-giessen.de/studium/promotion)
- JLU also offers **continuing education courses** as well as shorter further education formats that end with a certificate or certificate of attendance: ➔ [www.uni-giessen.de/studium/weiterbildung](http://www.uni-giessen.de/studium/weiterbildung)

## JUSTUS LIEBIG UNIVERSITY GIESSEN

Justus Liebig University (JLU) offers a wide spectrum of subjects in around 90 study programmes. These range from natural and life science subjects, the social sciences, law, business and economics to the humanities, languages and cultural studies as well as teacher training programmes.

At JLU you can complete your undergraduate studies and attain your first university degree. How long you study depends on the major you choose.

JLU offers the following undergraduate degrees:

- Bachelor of Arts (B.A.) study programmes for majors in the humanities or social sciences,
- Bachelor of Science (B.Sc.) study programmes for majors in mathematic-natural sciences and economics,
- Bachelor of Education (B.Ed.) study programmes for majors in Vocational Education and Training, which can enable you to teach at vocational institutions, for example,
- First state's exam study programmes for majors in medicine, jurisprudence, veterinary medicine and dentistry.

Information about study programmes at Justus Liebig University Giessen is also available online:
