» Studies towards  
**MSc | ME | MBA | PhD**  
Degrees

» The Technion Graduate School awards the following degrees:

**MSc** | Master of Science

**ME** | Master of Engineering in non-research tracks

**MBA** | Master in Business Administration

**PhD** | Doctor of Philosophy

## »» Studies for the Master Degree [brief summary]:

**Registration and Admission:** graduates of undergraduate degrees from accredited universities with a grade average (GPA) of at least 75% (in most departments admission requirements are higher). Some departments may require submission of GRE scores (Technion's code: 0343).

Applicants for an MBA degree are required to take the GMAT exam (Technion's code: 0027).

**A full list of required documents, may be found at:**

<https://graduate.technion.ac.il/en/prospective-students/application-to-a-master-or-phd-degree/>

**Study Requirements: Study requirements for each program may be found at:**

<https://graduate.technion.ac.il/en/academic-programs/>

## »» Studies for the Doctoral (PhD) Degree [brief summary]:

**Registration and Admission:** graduates of MSc/MA degrees (research track) from accredited universities, with a minimum score of 80 for the research work (most departments require a higher score) and a minimum GPA of 80 (higher in most departments). The GRE general test is required of all PhD applicants (Technion's code: 0343). Finding an advisor prior to registration is a prerequisite.

**Study Requirements:** coursework, candidacy exam, research, giving a seminar lecture, writing and defense of a thesis. Departments may have additional requirements.

**Dual PhD Track: See details at**

[https://graduate.technion.ac.il/en/prospective-students/dual\\_phd/](https://graduate.technion.ac.il/en/prospective-students/dual_phd/)

## »» Language of Studies at Technion

By default, classes at the Technion are conducted in Hebrew, therefore basic knowledge of Hebrew is recommended. However, all Technion departments have committed to teaching **graduate level** courses in English, under some conditions, following a request by an international student per a specific course.

**For more details visit**

[https://graduate.technion.ac.il/en/prospective-students/language\\_of\\_studies/](https://graduate.technion.ac.il/en/prospective-students/language_of_studies/)

## »» Language Requirement

Technion graduate students must have a good knowledge of English, therefore all graduate students are required to pass the **"English Proficiency Examination"** in the first semester of their studies.

**An exemption from the exam is granted to:**

- » PhD's
- » a student with a score of 75% and higher in the language portion of the GRE/ GMAT
- » Graduates of a high school or accredited academic institutions in which the language of instruction is English

All PhD students are required to take the "Academic English Writing" course.

## »» Scholarships:

Scholarships are available for M.Sc. (research track) and PhD students with high academic achievements. Scholarships are awarded in portions (1-6) of different amount for M.Sc. and PhD students. Currently they range from 240-300\$ per portion. Scholarships carry a full or partial tuition waiver and are awarded for a period of 24 months for M.Sc. students and 42-48 months for PhD students (depending on the field of studies).

## »» Housing:

On Campus: dormitories for singles, couples and families are on an availability basis for research track students with a full scholarship only. Eligibility is based on academic achievements and availability.

Off Campus: You may look for rental apartments in neighborhoods surrounding the campus for approx. 500-800\$ for two-bedroom apartment.

## »» Deadlines for Registration:

Fall Semester: **February - 1 April** / Spring Semester: **October - 1 November**

Registration to PhD studies is available all year long. However, the registration dates for dormitories are as mentioned above .
